

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/6/2022 1:31 PM

Apparently, mood in NCRCC is deflated this morning. I'm hoping you'll hear something at your level today, of a shift towards something different soon.

"Ayotte, Kim" <Kim.Ayotte@ottawa.ca> 2/6/2022 1:32 PM

There will be an increase in activity but not likely today!

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/6/2022 1:33 PM

Ok. Anyway, I've been working with PIMR this weekend on a few potential Qs and As for you for tomorrow. We don't think you'll get much but there was some stuff yesterday that could lead to By-law questions, like the horses....

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/6/2022 1:34 PM

You (or Steve) may also get asked about the towing companies.

"Ayotte, Kim" <Kim.Ayotte@ottawa.ca> 2/6/2022 1:35 PM

What about them? Their position is we'll know throughout the city

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/6/2022 1:35 PM

BTW, hearing Confed park not going well. Not sure if you see anything from your eye in the sky.....

"Ayotte, Kim" <Kim.Ayotte@ottawa.ca> 2/6/2022 1:36 PM

They are saying that they will have nothing to do with the demonstrators and they are using safety as their main reason.

"Ayotte, Kim" <Kim.Ayotte@ottawa.ca> 2/6/2022 1:37 PM

There's lots of activity by park staff I don't see a lot of protesters

"Ayotte, Kim" <Kim.Ayotte@ottawa.ca> 2/6/2022 1:37 PM

Staff

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/6/2022 1:40 PM

BTW, I'm working with CMO on getting a firm message to NCRCC staff that they are not to liaise with Councillors. It's a bit worse than I thought. Councillor Fleury has the cell phone number of that one person in Traffic Management and apparently texts her and calls her. And she texts him back and calls him back. I'm worried that it looks like he is directing our Traffic Management team. Like I said, I am working with Todd on this (and he is consulting Steve Box). We think a firm message will be sent today directly from CMO.

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/6/2022 1:48 PM

Looks like Steve Box is recommending that he send an email to Members of Council to remind them of the process. We will BCC all City reps in the NCRCC. CMO might change its mind but right now, that seems to be the plan.

"Ayotte, Kim" <Kim.Ayotte@ottawa.ca> 2/6/2022 1:49 PM

Sounds good

"Ayotte, Kim" <Kim.Ayotte@ottawa.ca> 2/6/2022 3:34 PM

Councillors are asking why we stopped the EOC updates.

"Ayotte, Kim" <Kim.Ayotte@ottawa.ca> 2/6/2022 3:35 PM

We should try to send one out today.

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/6/2022 3:36 PM

Yup. That has been a PIMR lead but I'll connect with them. I think they were worried that all the special meetings, including yesterday's Police Board was enough.

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/6/2022 3:40 PM

251 Donald St being evacuated due to carbon monoxide. Bus on site for shelter. We don't think an emergency shelter is needed. Sorry if OFS told you already. Not related to Trucks.

"Ayotte, Kim" <Kim.Ayotte@ottawa.ca> 2/6/2022 3:40 PM

yes... I got the notice about the CO call

"Ayotte, Kim" <Kim.Ayotte@ottawa.ca> 2/6/2022 3:41 PM

as for Gower.. I'm just going to tell him that there were a variety of different councilor briefings where alot of info was shared but that we will start up again today.

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/6/2022 3:47 PM

Ooops. Was thinking of replying through Councillor Liaison. Would you prefer directly? If yes, we'll stand down.

"Ayotte, Kim" <Kim.Ayotte@ottawa.ca> 2/6/2022 3:48 PM

Councillor liaison is the proper process, i will hold off!

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/6/2022 4:19 PM

Just a heads up... now that we know the SoFE is going out at 4:30 pm, we're going to hold off on any update from you to Council today. Instead, Todd is going to check in with Steve Box to see if CMO wants your updates to continue next week. We had some challenges keeping the info up to date, and also the PSAs contain all the closure stuff. And, there have been many media availabilities. So, we're not going to have you send anything today but TBD if Steve x2 wants this going forward.

"Ayotte, Kim" <Kim.Ayotte@ottawa.ca> 2/6/2022 4:20 PM

We still need to answer the councillor

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/6/2022 4:21 PM

100 percent. Councillor Liaison is drafting something.

"Ayotte, Kim" <Kim.Ayotte@ottawa.ca> 2/6/2022 4:24 PM

Thanks Beth

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/6/2022 4:32 PM

Can we remove the 5 porta-potties? NCC is now asking as it seems to be interfering with the fencing they are putting up.

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/6/2022 4:34 PM

FYI a new "base of operations" has been established at Sandy Hill arena as of last night.

Two pickups, two trucks, and one RV. Canadian flags, confederate flags, and anti-vaxx signs were on the vehicles. RV appears to be full of occupants. Police Liaison Team will be working to get them to demobilize.

"Ayotte, Kim" <Kim.Ayotte@ottawa.ca> 2/6/2022 4:35 PM

Lol they are just moving to other sites

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/6/2022 4:42 PM

The PSA on SofE is not good (no fault of PIMR) but I'll let David White fix it. 😊

"Ayotte, Kim" <Kim.Ayotte@ottawa.ca> 2/6/2022 7:00 PM

The Mayor would like an update on tow truck availability.

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/6/2022 7:00 PM

OC Transpo or contracted?

"Ayotte, Kim" <Kim.Ayotte@ottawa.ca> 2/6/2022 7:10 PM

I think this is a question for Police on what they've done to assess the availability of tow trucks for themselves. We know that we only have two truck trucks from OC without drivers that's not the issue.

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/6/2022 7:16 PM

Ok. I just talked to By-Law our contracts are status quo -- they are refusing to tow convoy members because they say that those are their clients and it's bad for business. On Friday, we apparently reached out to the CEO of the CAA to see if we could somehow leverage that CAA affiliation to get buy in from towing companies. We haven't heard back. Every licensed towing company in the area has been called and they are all saying no.

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/6/2022 7:16 PM

I can call Police but I'm positive they will say the same thing.

"Ayotte, Kim" <Kim.Ayotte@ottawa.ca> 2/6/2022 7:17 PM

Okay... just confirm and I will report back!

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/6/2022 7:18 PM

Will do, calling Police now.

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/6/2022 7:22 PM

Just got off the phone with Police. They confirmed the same. At one point on Thursday, they thought Metro might be willing but Metro came back Friday with a refusal. No one will tow in the region.

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/6/2022 7:22 PM

No changes this weekend to that position.

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/6/2022 7:23 PM

I think the estimate is 500 trucks left in the City. Towing would not even be the immediate solution. Especially with high risk of sabotage etc.

"Ayotte, Kim" <Kim.Ayotte@ottawa.ca> 2/6/2022 7:25 PM

Can you confirm that MTO doesn't have their own trucks. Thanks

"Ayotte, Kim" <Kim.Ayotte@ottawa.ca> 2/6/2022 7:27 PM

I am pretty sure that they contract out that service but Steve K. Wants to know for sure.

"Ayotte, Kim" <Kim.Ayotte@ottawa.ca> 2/6/2022 7:27 PM

Perhaps the OPP could help answer that.

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/6/2022 7:28 PM

On it.

"Ayotte, Kim" <Kim.Ayotte@ottawa.ca> 2/6/2022 7:28 PM

Thanks Beth... you are amazing at supporting these silly requesta

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/6/2022 7:29 PM

Not silly! They are good but I don't always have good news.

"Ayotte, Kim" <Kim.Ayotte@ottawa.ca> 2/6/2022 7:30 PM

That's okay... I don't care if the news is good or bad... I just need the answers 😊

"Ayotte, Kim" <Kim.Ayotte@ottawa.ca> 2/6/2022 7:59 PM

<https://twitter.com/ottawapolice/status/1490398101072490496?s=12>

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/6/2022 7:59 PM

Ok - I talked to the province. They believe MTO does have towing capacity but are confirming. They promised to get back soon as I said it was super urgent.

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/6/2022 8:19 PM

Re MTO.... no, they have no tow trucks of their own. They also say they have no tools/levers to force towing companies to provide service. They say that the MTO senior leadership is discussing options at high level to assist Police but have not landed on a solution to this towing problem.

"Ayotte, Kim" <Kim.Ayotte@ottawa.ca> 2/6/2022 11:08 PM

"Ayotte, Kim" <Kim.Ayotte@ottawa.ca> 2/6/2022 11:09 PM

From Steve Box

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/6/2022 11:09 PM

Yup. PIMR will lead but with support from us. Given that there is a Council meeting at 13:00, your email to members of council will be later in the afternoon if that is ok.

"Ayotte, Kim" <Kim.Ayotte@ottawa.ca> 2/6/2022 11:10 PM

If there is any way we could do it before Council, it might reduce the questions at Council.

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/6/2022 11:12 PM

Ok. That works too. Let's aim for 11:00 maybe? Will give us time to compile the info. With the shift to enforcement today, there will be info we need to provide on number of tickets issued and maybe even arrests (although that is Police).

"Ayotte, Kim" <Kim.Ayotte@ottawa.ca> 2/6/2022 11:12 PM

Agreed

"Ayotte, Kim" <Kim.Ayotte@ottawa.ca> 2/6/2022 11:52 PM

Did the EOC review the media response regarding state of emergency?

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/6/2022 11:52 PM

By "EOC" if you mean me and OEM, no... just finishing up your email to EOCCG right now. Ready to hit send soon.

"Ayotte, Kim" <Kim.Ayotte@ottawa.ca> 2/6/2022 11:53 PM

Okay cause we are asking to review and I thought that only happened after you had looked at it.

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/6/2022 11:56 PM

Will look now.

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/6/2022 11:58 PM

Ok, I need to make some minor adjustments. Will reach out to PIMR. Also, will ask them to have the EOC review first before sending to you and David next time. Sorry about that.

"Ayotte, Kim" <Kim.Ayotte@ottawa.ca> 2/6/2022 11:59 PM

It was the one where you commented that Steve K. Is the EOCCG chair

"Ayotte, Kim" <Kim.Ayotte@ottawa.ca> 2/6/2022 11:59 PM

Okay thanks

"Gooding, Beth" <beth.gooding@ottawa.ca> 2/6/2022 11:59 PM

Yup. On it and making some minor tweaks.

"Ayotte, Kim" <Kim.Ayotte@ottawa.ca> 2/6/2022 11:59 PM

I'm good with it changing to Steve K
